Speaker's Name & Designation: Mr. Ajay Setia, North (AGM Sales), Yara International

Attendees- Agri Business Batch 2021-23, 2022-24

Microsoft Teams | August 14 ,2022| 11:00 am – 12:00 am| Participants- 100+

On the 14th of August 2022, the students of MBA Agri Business Batch 2021-23, 2022-24 attended a Webinar by Mr. Ajay Setia, North (AGM Sales), Yara International. The topic for the session was "Skills required to pursue a career in the Agri-Input Industry".

Mr. Ajay started the session with a brief introduction about the company Yara International sharing its Vision, Mission and Values with the students. Mr. Setia then initiated a discussion to analyze the student's perspective on "What are skills and how are they acquired?". Explaining the definition, he mentioned three significant contributors of skill in a person's life, namely "Education", "On Job Training", and "Life Experiences". Moving further, Mr. Ajay pointed out some critical skills essential for success which included "Effective Communication", "Adaptability", "Data/Information Handling", "Multi-tasking", "Critical thinking", "Teamworking", "Innovation", and "Team Management". He elaborated on each skill set by first discussing it with the students, followed by a thorough analysis.

The webinar ended with an interactive question and answer session.

Feedback:

- 1) " The session was very informative, and we got a lot of insights on the skills essential for a career in the Agri input sector. The session was very interactive, and we cleared our doubts regarding the skills and Agri input sector."
DSK Varun, MBA AB Batch 2022-24
- 2) "It was a very insightful session, and we learnt about the different skills to work in the Agri - Input Industry. This would help us in improving our personality."
Shivam Chauhan, MBA AB 2022-24

Overall Feedback:

The session gave a detailed understanding of the skillsets required and expected in a corporate environment. The interaction helped the student clear their doubts and get a better overview of the skillsets they need to work upon.
