Samwad,

Thanks for the note and the invitation. I would be happy to take you up on this opportunity to speak to the student body. The 28 August date works well for me. On the topics – I am happy to speak on any of the topics, please let me know which would be the ones of greatest interest to the cohort. Also given the length of the session it would be useful for me to understand the general tone and agenda for such a session as I assume me speaking for even an hour may be overkill.

Happy to discuss this on a call if that would be useful.

Regards,

Jaidev

WORKSHOP REPORT

Date of Conduct: 28th August 2021

Duration: 45 minutes

Speaker's Name and Designation: Mr. Jaidev Murti, Partner & SVP - Strategic Advisory

Organisation: AON

HOD/Concerned Faculty Head: Student Relations/Ms. Anuja Zanzad

Batch: Finance and SCM Specialisations, Batch 2020-2022 & IB Batch 2021-2023

No. of Students present: 171

Synopsis:

On the 28th of August 2021, the students of Finance and SCM specializations of MBA-IB batch 2020-22 and MBA-IB 2021-23 attended a workshop by Mr. Jaidev Murti, Partner, and SVP – Strategic Advisory, AON. The topic of the session was "Sustainable personal growth through the corporate ladder".

Mr. Jaidev Murti initiated the session with a brief introduction about consultancy as a field. He elaborated on the strategies to be emphasized upon while pursuing MBA, starting from creating a good technical skill base and then moving to build soft skills. He mentioned how valuable peer-to-peer learning is in an MBA program and how one needs to modify their approach in a team. He also provided insights into positioning oneself by creating a story that will engage a recruiter.

Mr. Murti emphasized the importance of resilience and how to bounce back after multiple setbacks. Lastly, he asked the students to maintain energy and enthusiasm even through the tough times of the pandemic. The session ended with an interactive question and answer round.

Feedback:

1. "The session gave insights into how a consulting role looks like and what skills are required to get into a consulting domain. I learnt even though consulting is a client-facing job, entry-level employees do research. People from diverse educational backgrounds can also get into consulting irrespective of work experience." – Ganesh Chawhan, International Business (Finance), Batch 2020-2022
2. "Growth be it personal or professional should be sustainable as all things in life. Striving for success but not being able to sustain it is not worth it. This lesson was made crystal clear to us during the session by Mr Murti. I was glad to get an opportunity to be a part of such an enlightening event." – Devansh Sablania, International Business, Batch 2021-2023
3. "The session was motivating and Mr. Murti gave us insights about how to approach our MBA and life after that, sharing his practical knowledge. His way of viewing life gave me some new perspectives." – Sneha T., International Business, Batch 2021-2023

Overall Feedback:

The session was interesting and interactive and students received a lot of insights into positioning themselves as members of the corporate world.
