

Workshop on "How to make a top career in equities/derivatives brokerages & new age trading apps" – 2023

Workshop | February 5, 2023 | 10:00 AM-12:00 PM
MBA IB- Finance Batch 2022-24 | Participants- 50+
Panellist's Name: Mr. Samir Jayaswal

On 5th February 2023, the students of MBA -IB Finance (Batch of 2022-24) attended the workshop by **Mr. Samir Jayaswal** on the topic "**How to make a top career in equities/derivatives brokerages & new age trading apps.**" The workshop aimed to give students insights and guidance on building a successful career in equities/derivatives brokerages and new-age trading app companies.

During the session, Mr. Jayaswal discussed the various aspects of equities and derivatives brokerages, including market trends, regulatory compliance, and business models. He also shared insights into the changing landscape of the financial industry and the emergence of new-age trading app companies.

The workshop highlighted the importance of developing a strong financial analysis, risk management, and business development skill set to succeed in this field. Mr. Jayaswal also stressed the significance of networking and building client relationships to establish a successful career in this industry.

Mr. Jayaswal shared his experiences and valuable tips for navigating the competitive job market throughout the workshop. He encouraged students to explore various career paths and utilize resources to enhance their skills.

The session concluded with a Q&A session where students could ask questions and seek clarification on various topics discussed during the workshop. Feedback was also collected from the participants to improve future workshops.

Key learnings:

The workshop was a valuable learning experience for students interested in pursuing a career in equities/derivatives brokerages or new-age trading app companies.
