### MBA – International Business (Batch 2021-23)

This year, the placement season for SIIB has been extraordinary and the season was closed way earlier than usual timeline. The season witnessed many prominent recruiters from different industries who offered Domestic as well as International placements. In addition to the regular and conventional roles offered every year, recruiters offered some of the most desirable and niche roles in the industry across domains like Business Analytics, Data Science, Market Research, Product Development, Consulting, Risk Analyst, Digital Marketing, Strategy, Financial Advisory and Operations Management majorly by the Big Fours, major IT players, FMCG/FMCD and Manufacturing sectors. Also, there has been a surge in the number of new recruiters as compared to last year.
